HOLDEN'S DOLLAR MAGAZINE.
Largest! Cheapest! Best!!
768 PAGES IN THIS VOLUME—VOL. III
COMMENCES JANUARY 1, 1849.
8 to 20 Splendid Wood Engravings each month.
This unrivaled Family Magazine, universally acknowledged by the press as the best American periodical published, offers at the commencement of the 3d volume unusual inducements to subscribers. Its features heretofore will be entirely American, including American Views, American Portraits, American Tales, American sketches, &c.
A series of engravings, from the paintings of our best artists, including Cole, Gignour, Durand, Edmonds, and others, is in vigorous preparation, and the facile pencil of the inimitable DARLEY is now actively engaged in enriching Holden with his
PORTRAITS OF THE PUBLIC MEN OF AMERICA.
The portraits of distinguished American Divines will be continued in every number, as heretofore, with life-like sketches of their lives and ministries. Each number will be filled with Tales, Novels, &c., &c. Its features heretofore, Translations, Topics of the month, and will embrace every thing interesting, instructive, and readable now in progress in the world.
As a Family Magazine, the Editor is confident that no rival can exist, or opposition lessen its value and worth, and he offers it to the world as, in tone, character, literary merit, and illustrative beauty, the Model Magazine of the Nineteenth Century!
No family in the land can afford to be without Holden's Dollar Magazine, for a periodical can be obtained one year for the trifling
ONE DOLLAR.
who will not wish to subscribe?
The great feature of Holden's is, that while being peculiarly American in sentiment and feeling, it gathers and embodies all the beauties of the French, English and American periodicals, while discarding the follies and vices of each, combining the excellence of the Gazette, the quarterly review, and the weekly newspaper, it is yet separate and distinct from all, but possessing enough of their various qualifications to commend itself to every reader. Hear what the press says of Holden's Dollar Magazine. "The editor's style is very rich and amusing—in some respects equal to that of the Knickerbocker."—New York Reviewer.
Holden's Dollar Magazine for September is an excellent number. The literary contents are varied and interesting—the sketches of living American poets and Divines cannot fail of giving the work a very popular character.—The editor's table is lively and piquant, and the Book notices capital and candid. We unhesitatingly recommend the Dollar Magazine as a rapidly increasing.—Horace Greely of the New York Tribune.
Holden's Dollar Magazine.—The September number of this magazine has been received, and to simply say that it is a valuable publication, would not be doing justice to its merits. It is the best of Magazines, and must soon assume its place at the head of the literary press.—Democrat, Bloomberg, N. Y.
Holden's Dollar Magazine.—The August number of this brilliant journal is now appearing. It is glowing over its contents we are forcibly struck at the superior arrangement of every thing pertaining to Literature and art. The articles are all of a high order—far surpassing any thing that appears in "Graham's" or "Godey's" Lady's Book, and the typography of the number, before us, is most excellent, being in whiteness of paper and clearness and distinctness of type, with any similar work published in the United States.—Republican, Jackson, N. Y.
Holden's Dollar Magazine is the most interesting production of popular literature that we know. The price, as its name implies, is but one dollar a year, and we recommend every body to subscribe for it.—Advertiser, Lowell, Mass.
We believe there is no other periodical published in America that contains so much choice reading matter, and such excellent engravings, for so little money.—Star, Houston, Texas.
Over three thousand, five hundred similar notices have been received, but these must suffice.
The object of the editor has been to give a three dollar magazine for one third price, and a glance at Holden's will show the result. Now, he only asks the support of the community, and in return will give improvements as they are demanded.
Now is the time to subscribe, as those sending first will receive the first impressions of the new year. The No. 1 can be furnished from July, 1848, if wished by subscribers—that month commencing the previous volume.

BRANDRETH'S REMEDY
WESTERN NEW YORK
COLLEGE OF HEALTH.
207, Main street, Buffalo, N. Y.
DR. G. C. VAUGHN'S
Vegetable Lithoniptic Mixture.
This celebrated remedy is constantly increasing its fame by the many cures it is making
ALL OVER THE WORLD.
It has now become the only medicine for family use, and is particularly recommended for
DROPSY;
all stages of this complaint immediately relieved, no matter of how long standing. [See pamphlet for testimony.]
GRAVEL;
and all diseases of the urinary organs; for these distressing complaints it stands alone, no other article can relieve you, and the cures testified to will convince the most sceptical. See pamphlet. Liver complaint, bilious diseases, FEVER AND AGUE.
To the great wet especially, and wherever these complaints prevail, this medicine is agent.
NO MINERAL OILS,
no deleterious compound is a part of this mixture, it cures these diseases with certainty and celerity, and does not leave the system torpid. See pamphlet.
PILES;
a complaint of a most painful character, is IMMEDIATELY RELIEVED,
and a cure follows by a few days use of this article: it is far before any other preparation for this disease, or for any other disease originating from impure blood. See pamphlet.
DEBILITY OF THE SYSTEM,
weak back, weakness of the kidneys, &c., or inflammation of the same, is immediately relieved by a few days use of this medicine, and a cure is always the result of its use. It stands as
A CERTAIN REMEDY
for such complaints, and also for derangements of the female frame.
IRREGULARITIES, SUPPRESSIONS,
painful menstruations. No article has ever been offered except this, which would touch this kind of derangement. It may be relied upon as a sure and effective remedy, and it may be permitted to do so, could give

as proof of cures in this distressing class of complaints. See pamphlet. All broken down, debilitated constitutions from the evil effects of mercury, will find the bracing power of this article to act immediately, and the poisonous mineral eradicated from the system.
RUPTURE DISEASES
will find the alternative qualities of this article
PURIFY THE BLOOD,
and drive such diseases from the system—see pamphlet for testimony of cures in all diseases, which the limits of an advertisement cannot permit to detail. Its features heretofore, Agents give their away: they contain 32 pages of certificates of high character, and a stronger
ARRAY OF PROOF
of the virtues of a medicine never appeared. It is one of the peculiar features of this article that it never fails to benefit in any case, and if bones and muscle are left to build upon, let the enervated and lingering invalid
HOPE ON,
and keep taking the medicine as long as there is an improvement. The proprietor is now as there is an improvement.
CAUTION THE PUBLIC
against a number of articles which come out under the name of Dr. C. C. Vaughn, &c., &c. as Chamberlain's Dr. Vaughn's, &c., &c. they are good for nothing, and connected to gull the unwary:
TOUCH THEM NOT.
Their inventors never thought of curing such diseases till this article had done it. A particular study of the pamphlet is earnestly solicited.
Agents and all who sell the article are glad to circulate gratuitously. Put up in 30 cts. bottles at \$2. 10 cts. do. at \$1 each—the larger holding 6 cts. more than two small bottles. Look out and not get imposed upon. Every bottle has "Vaughn's Vegetable Lithoniptic Mixture," blown upon the glass, the written signature of "G. C. Vaughn," on the directions and "G. C. Vaughn, Buffalo," stamped on the cork. None other are genuine. Prepared by Dr. C. C. Vaughn, and sold at the principal office, 207 Main street, Buffalo, at wholesale and retail. No attention given to letters unless post paid—original from verbal communications solicited advice, promptly attended to, gratis.
Office devoted exclusively to the sale of this article—132 Nassau street, New York City; 285, Essex st. Salem, Mass. and by the principal druggists throughout the United States and Canada. For sale by

At my instance an attachment was this day issued by John L. Green, a Justice of the Peace in and for the township of Sandusky, Sandusky county, Ohio, against the property and effects of John Ellis, a non-resident of said county.
J. CHAMBERLIN.
Nov. 4, 1848.
DR. S. M. DILTZ,
Physician & Surgeon.
TENDERS his professional services to the citizens of the township of Sandusky, Sandusky county, Ohio. Having during 4 years practice in the western country paid great attention to chronic affections and female complaints, he flatters himself that he will be able to give entire satisfaction, and hopes to merit a share of public patronage. He would also state that he operates with the best, most reliable, and has an instrument to excise tonsils without pain.
He has also a Galvanic Torpedo Magnetic Machine, which is the greatest and most powerful in use. It cures and seldom fails in the following diseases: Rheumatism, Dyspepsia, Scrofulous and Nervous affections, and is valuable in female complaints. Let those who wish to be relieved come and test its inestimable virtues.
He may be found at Blauvelt's hotel, when not absent on professional business.

Farmers Look Here—Great Improvement.
The subscriber respectfully informs the farmers of this and the surrounding counties, that he has, by long study and heavy expense, made a great and decided improvement in the construction of Winnowing machines, and requests those who need machines of this kind, to examine this improvement. The construction of the machine is such, that in passing grain through it once, the grain is much cleaner than it can be made by passing it twice through the machines now in common use.
The improved mill is well adapted to the cleaning of all kinds of grain and seeds, and gives a greater power of wind with less motion of the fans by the same sized cylinder as the ordinary mill, consequently there is less friction, and less power required to drive the fans.
The improvement is a late patent, bearing date, Washington, D. C. May, 30, 1848. There has never been an improvement made on winnowing machines, that will cause so thorough an operation on the grain, so far as we have been able to learn, as the above patent.
Individuals wishing to purchase of the best quality of winnowing machines, may be accommodated at the shop of the subscriber on fair terms.
Persons wishing to purchase territory, either by the state, county, township or shop-right, can be accommodated by calling on the subscriber.

BRANDRETH PILLS!!
40,000 Boxes sold in a Week!
HEALTH!—O! BLESSED HEALTH! Thou art above all gold and treasure; 'tis thou enlargeth the soul, and openeth its powers to receive instruction, and to raise virtue above the low and little more to wish for; and he that is so wretched as to have these wants, every thing beside. Let us be thankful, Brandreth's pills will give us health; get then these blessed pills, which a century's use has fully established to be the best medicine ever bestowed on man. For the prevailing colds and coughs, they will be found everything that medicine is capable of imparting.
In diseases arising from use of mercury, or from any cause of vitiation, from bad blood, or otherwise, their use will produce the most happy results. In all attacks of rheumatism, erysipelas, salt rheum, and in cases of chronic or recent constiveness, the use of the Brandreth pills will be productive of infinite service—sometimes occasioning great change for the better as to cause great thankfulness.
In all cases of indigestion, worms, asthma, diseases of the heart, and in all affections of the stomach and bowels, the Brandreth pills will be found a never-failing remedy.
To insure the full benefit of these celebrated pills, they should be kept in the house, so that upon the first commencement of sickness they may be at once resorted to. One dose then is better than a dozen after the disease has become established in the system.
The Brandreth pills are purely vegetable, and so innocent that the infant of a month old may use them if necessary required, not only with safety, but with the certainty of immediate relief. They are also perfectly impalpable. Females may use them during all the critical periods of their lives. The Brandreth pills will insure their health, and produce regularity in all the functions of life.
Mr. Crevich, of Caracas, says: "I have entirely cured myself of the fever and ague, which I have had for six months, by taking from 8 to 12 of Brandreth's pills for one month." Vide his letter to Dr. Brandreth, dated 5th of February, 1847. Be careful you do not get a counterfeit, to avoid this, purchase of the duly authorized agent.

Revolution in Sandusky!
AHEAD OF ALL COMPETITION!!
FIRST ARRIVAL OF NEW GOODS.
The subscriber has just returned from the eastern cities where he has been spending some time, in purchasing a stock of new goods, and he is happy to inform the public, generally, that he has succeeded in selecting an assortment such as is rarely seen in this section of the state; and they will be sold
CHEAPER
than any other goods ever offered to the community. Let those who doubt this, just call upon us and satisfy themselves of the truth of the above; and though we will not copy after "head-quarters" and "national sales," and say we will put dollars into the farmers' pockets, we can assure them that they can get more for their money, and have their goods and prices, and comparing them with those who have their houses "filled from turret to cellar," and who have for the "special accommodation of the public been compelled to enlarge their store rooms." But come and see! never mind the wind-work, guessing and blowing from "head-quarters"—as a portion of our New Stock has arrived, and is opened and ready for examination and sale, and more daily arriving; consisting of
LADIES' DRESS GOODS,
of the newest and latest styles and patterns, of calicoes gingham, lawns, de lares, cambrics, shawls, kerchiefs, bonnets, and a general assortment of ladies goods, to which their particular attention is solicited.
MEN'S GOODS,
consisting in part of superfine broad-cloths, so cheap that it is astonishing the sheep will longer consent to grow the wool, cassimeres, satinetts, tweeds, and a large amount of summer goods, all of which will be sold very cheap, also, Groceries, consisting in part of coffee, sugar, tea, imported direct from Nankin, by ourself, but still it is a little better than "gold leaf" or "silver leaf," spices, tobacco, a better than "honey-dew," and will be sold at one price till the whole is gone; &c.
Hardware, nails, glass, knives, forks, queensware, wooden-ware, tins, churns, pails, and numerous other articles which would require a whole issue of a newspaper to enumerate; all of which will be sold very cheap, or approved trade, at prices to make "old corners" tremble, and "government stores," and "head-quarters" quake like ducks of a frosty morning.
CASH! CASH!!
Will be paid for TWO HUNDRED THOUSAND STAVES, which are wanted immediately. We want Two Hundred Thousand feet of Black Walnut Lumber, from 1 to 3 inches in thickness for which the highest market price will be paid in cash. Persons wishing to make contracts for the delivery of lumber, can do so by calling at the store in the Franklin block.

Gerald of Truth.
PROSPECTUS OF THE FOURTH VOLUME
THE HERALD was commenced for a free publication. This merit has maintained to the present time, no one can say he has been unable to get his views communicated through its pages, in consequence of their opposition to those of its conductor. In this, the Herald is a true type of Western spirit, which is embodied in the lines of a western poet—
"If I free thought seek expression,
Speak it boldly—speak it all.
Yes, my brother, of whatever name, creed or party, you speak freely here. Here is one place for you, where the air does not savor of any rankly intolerant odor, and where man does not attempt to interpose between you and your Creator. Who dares say he is true, and his brother is false? Is he the only Judge?
If you have any proposition for ameliorating the social condition of mankind, come and give it utterance. For, Communists, fanatics, and Utopians, come here and we will do you good.
If you have any new or old religious views to present, come also—no one is excluded.
There is only one condition—that brevity and perspicuity of style—with this can be heard.
If you are a politician desirous to advocate in a manly way—Whig, Democrat, or Liberty man—no matter who. Who, then, wishes to hear all, and Judge between them? Let him seek the "Herald of Truth." Who would do away with all parties and sects? Let him cherish the spirit of the "Herald," and all will melt into one benevolent Brotherhood. Who sympathizes strongly with the fellow beings and would confer with those who are tolling for human good? Let him join and encourage us in the work of human redemption. The "Herald" shall be the link to bind all parties.
The saving power of a true education should not be overlooked, for after all, no good can be hoped for, man, unless it be sought in the fuller, truer development of the human mind. Mind is above all, and must be prepared for greater happiness before it can enjoy it. Education is the equalizer of man, the destroyer of aristocracy, selfishness, and every other quality that tends to retard the progress of the human race, and the "Herald" cannot overlook this great interest.
A benevolent, religious faith, a lively and cheerful Philosophy, and an elevating literature, shall characterize the "Herald of Truth." Science and art shall also be represented. The Herald of Truth is published monthly in Cincinnati—each number containing 80 octavo pages, making two volumes a year of 480 pages each.
Terms: Single copy, \$2.50; 3 copies for \$6; 6 copies for \$10; 12 copies for \$18; and 24 copies for \$32.
Papers copying this prospectus a few times will receive the work.

WHAT CAN THE MATTER BE?
Sandusky is in commotion, Black-swap is in agitation, the people are rushing, and Headquarters are being carried by storm. Oh, dear me! says Rip Van Winkle, what can the matter be?
Matter enough, says an honest farmer; haven't you heard the news? Why, the New Store of Kendall and Nims is poised on the verge of ruin. They have given "Fret" to high prices, knocked the bottom out of competition, spiked the guns of their enemies, paid the highest cash prices for produce, and they are selling all kinds of goods absolutely lower than ever heard of.
If you doubt this, just call and see their beautiful cheap DRY SUGARS at sixteen pounds for a dollar, and some for less. The BEST COFFEE ever put in the "MILL," at 13 and 14 cents for a dollar. TEAS so fragrant and delicious that they will make the eyes of the aged sparkle, the cheeks of the youthful bloom, and even restore the wearied powers of manhood's manly prime, and all for only 50 cents a pound.
LAWNS and MUSLINS for the ladies, for only a trifle, and Bonnets so cheap and beautiful that it brats all creation, and then take a peep at their rare cottons Gingham Calicoes for only 50 cents a dress pattern, and then say if you ever saw the like in your life. Common yard wide Cotton Sheetings, at only 5 cents; ood for six-pence, and extra heavy in proportion.
SUMMER PANTALON STUFFS at only 2 and 3 shillings per pattern: prime bleached, cottons at only sixpence a yard, and now when you come bring a wagon for you can load it for only a few shillings, and have spending money left into the bargain. They also want to load another vessel immediately with Wheat, Oats, Corn and Wool, "cash up and no grumbling," and now farmer, how do you like that? Bring with you your wives, sons and daughters, since the "New Store" for Sandusky has opened, and it may be found in any quantity at Headquarters.
